People who will or might be working your market stall (note: Arkansas farmers market regulations require that farmers/crafters themselves work the stall, not employees):

Things you expect to sell this season (must be grown or made by you):

The Randolph County Farmers Market runs approximately May-October each year, depending on seasonal availability. We are usually open Saturday mornings and Tuesday afternoons but sometimes we switch to once a week, weather-and-harvest dependent. The cost for a stall is \$25 per season, or \$5 per day. If you choose the "per day" rate, it will switch to seasonal once you've paid for 5 days.

Which rate do you choose? Season Per Day

If you are a member of the Randolph County Small Farmers Association, one booth is included with your membership dues of \$20 per year.
